Enquiries: Mr. N Jacobs

22 February 2021

Attention: Mr Phillip Dorfling
Element Consulting Engineers
P O Box 1142
DURBANVILLE
9983

Dear Sir

1900331-REQUEST FOR MUNICIPAL INFRASTRUCTURE CAPACITY

Water and sewerage services are only available in Ceres. Witzenberg municipality does not have any existing services close to the proposed site.

Domestic wastewater may be discharged at our Ceres WWTW at a cost calculated in terms of our by-law.

Drinking water can also be obtained in Ceres at designated points at the current tariff as per municipal budget.

Yours faithfully

N-JACOBS
SENIOR MANAGER: WATER AND SEWERAGE

mayithuyelwe kumhlawuli kaMasipala

Vision: A united, integrated, prosperous municipality, progressively free of poverty and dependency
Visie: 'n Verenigde, geïntegreerde, welvarende munisipaliteit, toenemend vry van armoede en afhanklikheid
Imbono yethu: Umasipala omanyeneyo, oyondaleleneyo, omentlutha nathi rhoo uzikhulula endloleni nokuxhomekaka

Dear Sir

CONFIRMATION OF CAPACITY TO PROVIDE MUNICIPAL SERVICES AND WATER SUPPLY TO GROOTFONTEIN PV 1 (PTY) LTD

The municipality confirms capacity to accommodate the required services and consumption needs of the project as detailed in the table below, however there are no services in the vicinity of the proposed Grootfontein PV 1 site to connect to. The required services will therefore be accessed and utilised from Ceres.

Service / Resource	Construction (12-month period)	Operation (20-year period)
Water supply	1250 kℓ/month	Human consumption: 35 kℓ/month Washing panels: 5 to 8Mℓ/annum
Effluent disposal	54.75 kℓ/month	3.23 kℓ/month
Solid waste disposal	12m ³ /month	2.5m ³ /month

- There are only water and sewerage services available in Ceres. Domestic wastewater may be discharged at our Ceres WWTW (Wastewater Treatment Works) at a cost calculated in terms of our by-law.
- Drinking water can also be obtained in Ceres at designated points at the current tariff as per municipal budget.
- Solid waste can be disposed at licenced municipal landfill sites as indicated by the municipality.
- The above is however subjective to the approval of the Land Use Application

I trust that you will find the above in order.

Yours faithfully
