CORE COMPETENCIES

Practicing as an EAP since 2002 I have gained experience with a variety of projects working in the Eastern Cape, Western Cape, Kwazulu Natal, Gauteng and Northern Cape Provinces.

My work requires of me to be acquainted with relevant local and international conservation / environmental management policies and legislation, least of which are the National Environmental Management Act, National Environmental Management Waste Act, National Environmental Management Biodiversity Act, Integrated Coastal Management Act, Protected Areas Act, Outeniqua Sensitive Coastal Areas Regulations, the 2014 Environmental Regulations, National Water Act, National Heritage Resources Act and numerous conservation related regulations and guidelines that form the basis of environmental management.

In addition to being the senior EAP on various applications, I am also responsible for overseeing applications handled by all of *Cape EAPrac's* staff, as well as the review of reports prior to submission for consideration by the competent authorities.

Liaison with specialists and Clients form a large component of my daily responsibilities in the form of project management to ensure quality and time/cost management.

It is my responsibility to ensure training and orientation of all incoming staff at Cape EAPrac.
