AFFIRMATION BY ENVIRONMENTAL ASSESSMENT PRACTITIONER

I, Louise-Mari van Zyl (7806080098083), hereby affirm that the following is true and correct, for the purpose of the Draft Basic Assessment Report (HES592/04) for Stilbaai Lifestyle Village, dated 16 September 2020:

- (i) *That I act independently and at the time of facilitating the environmental application for this project, have not direct or indirect interest in the outcome of the proposed activity or process;*
- (ii) *That I am registered as an independent and competent environmental assessment practitioner (EAP) with the Environmental Assessment Practitioners Association of South Africa (EAPASA);*
- (iii) *That information contained in this report, to my knowledge and in as far as a document was compiled by myself, is correct and a true reflection of the findings/recommendations and outcome of the application process;*
- (iv) *That I will include all comments and inputs received from registered stakeholders and I&As in as far as they were submitted in writing or at a meeting on condition that the person who submitted them can provide proof of submission and/or attendance of the meeting;*
- (v) *That I will maintain a stakeholder register of all registered I&APs and stakeholders throughout the environmental process;*
- (vi) *That I have incorporated and acknowledged inputs and recommendations from the appointed independent specialist and technical project team members, through reports where relevant.*
