Sir

PROPOSED DEVELOPMENT: ERF 11221, GEORGE

With reference to your request of 17 April 2012, the following refers.

The municipality confirms that sufficient water resources and effluent treatment capacity at the relevant treatments plant are available to accommodate the proposed development on condition that all recommendations of the service report are adhere to.

We trust the above information to be sufficient. Please do not hesitate to contact us if any additional information is required.

Yours faithfully,

 **Jim Fivaz**
