Good morning Ms. Mohlalisi,

I trust you are well.

BASIC ASSESSMENT PROCESS FOR THE PROPOSED INTEGRATED GRID CONNECTION INFRASTRUCTURE NEAR RUSTENBURG

I'm just following up on my previous email dated 1 October 2023 regarding a Pre-Application Meeting

–

Cape Environmental Assessment Practitioners has been appointed as independent environmental consultants responsible for facilitating the environmental investigation and formal Basic Assessment process for the proposed integrated grid connection infrastructure for the Onderstepoort Solar 1 and 2 PV Facilities near Rustenburg, Northwest Province.

It is the intention of the proponent to construct an integrated grid connection to connect the proposed Onderstepoort Solar 1 and 2 PV Facilities to the national grid via the existing Ngwedi Main Transmission Substation, approximately 30km north-west of Rustenburg.

We were advised by the National Department of Forestry, Fisheries and the Environment (DFFE) that the Provincial Authority would be the Competent Authority for decision-making.

We would like to schedule a Pre-Application Meeting. Can you please let me know what your availability is for this week or next week?

I look forward to hearing from you.
